FADE IN:

INT. HALLWAY - NIGHT

BRYAN, main character who is looking for his daughter, he is a retired security guard who has very good fighting skills. He is around 50 years old, but doesn't act like it.

ALI, one of the men at the mansion looking at the girls, he was forced against his will by Bryan to buy his daughter. He is small and skinny, but rich and powerful.

TWO MEN IN BLACK, Ali's bodyguards. Big and buff, dressed in all black.

Ali and Bryan leave the room, with Bryan behind Ali holding a gun to his head, they slowly walk into the hallway. Bryan has no vision of what is beside him when he leaves. Bryan is hit in the head by two men in black clothing on either side of him that he did not notice before. Bryan faints.

CUT TO:

INT. DARK ROOM - NIGHT

Bryan slowly wakes from his unconscious state, realising that he is handcuffed to a pipe overhead, he sees four security guards and St. Clair.

FOUR SECURITY GUARDS (MAN 1, MAN 2, MAN 3, MAN 4), security guards for St. Clair, dressed in all black and skilled.

ST. CLAIR, the man who runs the mansion where the girls are sold and displayed. He looks like a typical middle aged man.

ST. CLAIR
Now Mr...

St. Clair looks at Bryan's stolen police ID card and peels off Brian's picture he stuck on.

ST. CLAIR
Well, we know you're not this man,
so what do we call you?

Bryan doesn't reply.

ST. CLAIR

It doesn't matter what we call you,
really what does matter is what
you're doing here. Do you mind
telling me what you are doing here?

BRYAN

The last gal. I'm her Father.

Men are all disturbed by this.

St. CLAIR

Oh my.

BRYAN

Give her to me.

ST. CLAIR

I wish I could, honestly. See, I'm
a father myself, I have two sons
and a daughter. But, let me tell
you something Mr who ever you are,
this is a business. This is a very
unique business, with a very unique
clientele.

BRYAN

(angrily)

I'll pay.

ST. CLAIR

This business you have no refunds,
not returns, no discounts, no buy
backs. All sales are final. Besides
discretion, it's the only rule I
have.

St. Clair starts to leave. Man 4 leaves with him.

ST. CLAIR

Kill him. Quietly, I have guests.

St. Clair leaves the room. The security men look at Bryan,
who glares back at them. Man 1 nods at Man 2, and he takes a
gag and starts to try and strangle him. Bryan uses all of his
weight and power to pull down the pipe he is attached to, the
pipe hits both of men.

The pipe explodes and steam goes everywhere, making it hard to see. Man 1 runs at Bryan, Bryan, still handcuffed, breaks his arm and beats him. Man 2 runs at Bryan, Bryan wraps his handcuffed hands around Man 2's neck and breaks it.

Bryan removes the handcuffs using one of the men's guns.

CUT TO:

INT. GARAGE - NIGHT

St. Clair is waiting for the elevator with Man 4, St. Clair hears gun shot.

St. CLAIR
Would you please go see which part
of the word quietly they did not
understand?

MAN 4
Yes, sir.

Man 4 turns to leave to go back to the room where Bryan and the other men are.

Bryan, in the room, is finishing killing the men. Man 4 opens the door to the room and to his surprise Bryan is standing in the doorway and immediately Bryan shoots Man 4 with his gun and kills Man 4.

As Bryan starts to WALK towards St. Clair, St. Clair is surprised that Bryan is still alive, he can see that Bryan is very angry.

ST. CLAIR
(scared)
We can resolve this.

Bryan ignores St. Clair and continues angrily walking towards him.

ST. CLAIR
I know how you feel, we should
talk. Okay? W-we can work this out.

The elevator door opens and St. Clair falls in as Bryan takes a shot to St. Clair's arm. St. Clair grunts in pain.

ST. CLAIR
You have no idea.

Bryan shoots St. Clair again. St. Clair screams in pain from the shots.

BRYAN
(extremely angry)
Where is she?

ST. CLAIR
(weak)
Please, understand. Please try-

Bryan shoots him again. More screams and grunts of pain come from St. Clair.

St. CLAIR
There's a boat by the quay, please understand. It was all business. It wasn't personal.

Bryan
It was all personal to me.

Bryan shoots multiple times at St. Clair, which kills him.
